COMMUNITY CLEAN-UP - MAY 12 TO 15

It's that time of year again, but don't start all that hard work on an empty stomach! Rise and shine early on Saturday, May 15 and head to the Fairplex Arena where the Mayor, Councillors and Town Staff will be serving up free pancakes, sausages and hot coffee.

Thus fortified, you will be ready to take on your spring cleaning tasks. To make things easier, the Town will be placing six large bins in the Public Works Yard (by the Water Plant) to save you trips to the landfill. The bins will be marked as to what may be placed in them.

Start with your own yard/business, progress to your street and back alley, then help out seniors and/or handicapped neighbors. If you are willing and able to take on a block or a park, register at the Fairplex, where there will be maps, bags and gloves available.

TOWN WELCOMES SUMMER STUDENTS

The Town of Fairview is again utilizing the STEP Program to hire summer students. The program helps students earn money to continue their education. These students provide much needed help to our various departments. We are happy to welcome Heather Glen back to the Town Office, and to Public Works/Recreation: Carter Boytinck, Lisa Knopf, Andrea Szmata, Whitney Schindel, Courtney Sideroff and Courtney Van Beers. The Aquatic Centre summer students are Katlan Irvine and Esther Walkley.

ASSESSMENT AND PROPERTY TAX NOTICES

Combined Assessment and Property Tax Notices will be mailed in late May. The Town of Fairview Property Tax consists of municipal and education taxes and local improvement taxes where applicable. If you wish to appeal your assessment, you must submit your application with the applicable fee to the Town Office within the deadline specified on your notice.

Taxes are due on June 30, 2010. A 15% penalty will be applied on the current amount after the due date. Failure to receive a tax notice is not considered sufficient reason for non-payment of property taxes.

The Town of Fairview acts as a school tax collector on behalf of the province and the separate school board. School taxes are not subject to control or review by the Town of Fairview.

Municipal taxes are levied by adopted mill rate for the purpose of providing municipal services. The tax is calculated by multiplying the mill rate by the assessed value of property. One mill represents \$1.00 tax for every \$1,000.00 assessment value. For information on taxation matters, contact the Town Office.

BACK-YARD FIRE PITS

The building of a fire pit requires a development permit. A fire pit shall:

- be setback 10 ft from fences, buildings and property line
- be located in the rear yard
- be constructed of non-combustible materials, including a proper screen
- not be constructed over a gas line
- be constructed in accordance with provincial and/or municipal codes, bylaws or regulations

MAYOR'S GOOD NEIGHBOR AWARD

Over the past year, nominees have been congratulated at council meetings and awarded a formal certificate. If you wish to acknowledge a good neighbor, submit your nomination, in writing to the Municipal Secretary. Your submission must include the full name of the person and the reason he/she is being nominated. Sign your submission and include contact information. Spring clean-up offers great opportunities to help out a neighbor.

Recognize a Good Neighbor, Be a Good Neighbor!
