Chris Burkholder

SNOW - LOVE IT OR HATE IT, WE'VE GOT TO DEAL WITH IT!

OUR PART: SNOW REMOVAL SCHEDULE

Priority 1: The main arteries - 101, 103, 105 and 108 Avenues. These are emergency routes.

Priority 2: Main Street and 102 Avenue between 109 and 111 Streets will be wind-rowed.

Priority 3: Hill Roads - 100, 103, 106, 107, 108, 109, 111, 112, 115, 116 Streets

Priority 4: 102, 104, 106, 107, 109 to 113 Avenues

Priority 5: Residential Areas - Beaver Ridge, Bickell Heights, Dunvegan Park, Burkholder Subdivision, Northview Estates and the remainder of the downtown area.

SNOW PILING AND HAULING

Main Street wind-rowed snow will be hauled after completion of the above priorities, along with 101 and 102 Streets. On streets with no sidewalks, snow will be pushed to one side of the street, then the other, in alternating years. On streets with sidewalk on one side, snow will be plowed to the side which has no sidewalk. Streets with sidewalk on both sides will have snow pushed to one side or the other, in alternating years, in which case residents would not be responsible for snow removal on the sidewalks on which snow has been piled. Exceptions are 105 and 108 Avenues which will have snow piled to the north, and 101 Avenue which will have snow piled to the south. Snow will not be piled where there are power boxes. Time and budget permitting, snow piles will be hauled away from corners to increase visibility for motorists. Snow is removed from driveways as a courtesy to residents. In spring, boulevards affected by snow piles will be swept. In the event of another snowfall in excess of 10 cm during the snow removal process, operations will be interrupted to return to the priority list. In the event of excessive snow fall, removal will be at the discretion of the Public Works Manager or Foreman.

YOUR PART: SIDEWALK SNOW AND ICE REMOVAL

Pursuant to Bylaw 937/TR/2009 Section 3, property owners are responsible to clear away all snow and ice from sidewalk that is adjacent to their property within 24 hours, and within 48 hours in residential areas. Snow and ice must be removed the entire width of the sidewalk. Absence of the owner from the property does not absolve the owner from this responsibility. Where an owner fails to comply with this Bylaw, the Town may have the sidewalk cleared and any costs incurred will be invoiced to the owner. Failing payment, Council may charge the costs against the land as taxes. Failure to comply with this bylaw constitutes an Offense whereby the owner is liable, upon summary conviction, to a penalty of \$100 for each violation.

Daryl Greenhill Receives Award From the Honourable Norman L. Kwong

Daryl Greenhill, Manager of the Fairview Regional Aquatic Centre, has been presented with the Royal Life Saving Society Commonwealth Council Certificate of Thanks by the Honourable Norman L. Kwong, Lieutenant Governor of Alberta and Patron of the Lifesaving Society.

Mr. Greenhill attended the prestigious event on October 5, 2009 at the Royal Alberta Museum, where he received the honour with his wife and children in attendance.

The Commonwealth Certificate of Thanks is presented to Lifesaving Society leadership volunteers for their commitment and contribution to public safety and drowning and injury prevention.

The Mayor, Council and Staff of the Town of Fairview extend our heartfelt congratulations to Daryl. Well Done!

AN OUTDOOR SKATING RINK IN YOUR NEIGHBORHOOD? YES, YOU CAN!

Council of the Town of Fairview is inviting neighborhood groups to submit proposals to help build and maintain outdoor skating rinks. Let us know what you are willing to do, and we will let you know what we can do to assist.

MAYOR'S GOOD NEIGHBOR AWARD

The Mayor's Good Neighbor Award has been a great success. Many good neighbors have been recognized. But we know there are more out there. If you wish to acknowledge a good neighbor, submit your nomination, in writing to the Municipal Secretary. Your submission must include the full name of the person and the reason he/she is being nominated. Sign your submission and include contact information.

LAND TENDER NE-27-81-3-6

The Town of Fairview is tendering for sale a parcel of 140 acres, more or less, which is currently zoned M-1 Light Industrial, located at the south-east end of the town boundary.

Deadline for tender submission is November 27, 2009 at 1:00 p.m. The tender opening will take place at 1:30 pm on November 27, 2009 in Council Chambers. The Town reserves the right and sole discretion to refuse any or all tender bids, including the right to accept any tenders and not necessarily the highest tender.

Do What You Do Best, Fairview!

Fairview Food Bank is appealing for help to fill over 125 hampers for needy families this Christmas. This year is especially difficult for many families because of the low economy. The Food Bank needs toys for children and groceries such as potatoes, eggs, buns, coffee, oranges, candy etc.
