## STREET SNOW REMOVAL 101

Public Works provides snow removal Monday to Friday, 8:00 a.m. to 5:00 p.m. In the event of major storms, snow control services will run 24/7 and may be supplemented by private sector equipment.

### Ploughing Schedule in Order of Priority

1. 101, 103, 105 and 108 Avenues. These are considered our emergency routes.
2. Main Street and 102 Ave. between 109 and 111 St. These will be wind-rowed.
3. 100, 103, 106, 107, 108, 109, 111, 112, 115, 116 Streets - the hill roads
4. 102, 104, 106, 107, 109 to 113 Avenues
5. Residential areas: Beaver Ridge, Bickell Heights, Dunvegan Park, Burkholder Subdivision, North View Estates, Country View Estates and the remainder of the downtown area.

### Snow Piling and Hauling

Wind-rowed snow on Main Street, 102, 103, 104 and 105 Avenues will be hauled after completion of the above priorities, along with 101 and 102 Streets. Wind-rowed snow on 101 Ave. between 109 and 111 St. will be hauled immediately.

On streets with no sidewalks, snow will be pushed to one side of the street, then the other, in alternating years. On streets with a sidewalk on one side, snow will be ploughed to the side which has no sidewalk. Streets with sidewalks on both sides will have snow pushed to one side or the other, in which case residents would not be responsible for snow removal on the sidewalks on which snow has been piled. Exceptions are 102 and 105 Avenues between 111 and 117 Streets, 108 Ave. will have been piled to the north, and 101 Ave. which will have snow piled to the south. Snow will not be piled where there are power boxes. Time and budget permitting, snow piles will be hauled away from corners to increase visibility for motorists. Snow is removed from driveways as a courtesy to residents. In spring, boulevards effected by snow piles will be swept.

In the event of another snowfall in excess of 10 cm during the snow removal process, operations will be interrupted to return to the priority list. In the event of a very large snowfall, snow may be piled on both sides of the street and the removal schedule will be at the discretion of the Director of Public Works or his designate.

### Curb Grates, Sprinkler Systems, Retaining Walls....

The Town will not be responsible for damage done to (but not limited to) retaining walls, sprinkler systems, rubber mats, curb grates or any other items at or near the driveway, curb or boulevard.

# FACEBOOK PHOTO CONTEST

Submissions: Oct. 1 to Nov. 28 Judge/Like: Nov. 29 to Dec. 12

**GRAND PRIZE: IPOD TOUCH**

We want your pictures! Photos must be of willing people, scenes or images taken within the Town of Fairview or M.D. 136. They must be identified by caption indicating where the photo was taken and recognizable as local. The top three submissions will be displayed in the Fairview Fine Arts Centre. The winner will receive an IPOD Touch. The winner will be determined by the highest number of *LIKES* on FACEBOOK

This is strictly a FACEBOOK contest. All submissions must be through the social media. Prints will not be accepted. All submitted photos will become the property of the Town of Fairview and will form part of a digital photograph library. They will be used for promotional purposes on websites, posters, magazines and tourism brochures. Subjects can be anything and everything having to do with Fairview. It's as easy as 1, 2, 3..... 1) Log onto Facebook.com and LIKE our page. 2) Submit your photos. 3) Judge after November 28.

## Why Remember?

Canada's service men and women have served this nation from the first World War to current missions. They step forward in our time of greatest need because they believe in peace and security around the world. They have left their homes and communities to make a difference, and today's service men and women are still carrying on with this most noble and necessary task.
