 Fairview Regional
**Aquatic
Centre**

AQUATIC CENTRE INFO

The Fairview Regional Aquatic Centre offers a five lane, 25-metre lap pool and a zero-depth wading pool. The pools have multiple water features including river jets and fountain canes. The facility also has a 150-foot water slide - the biggest in the Peace Country, a Tarzan rope, skywalker hanging monkey bars, a rock climbing wall and a 20 person hot tub with wheelchair access.

The centre offers many levels of aquatic programming including but not limited to: adult lane swim, swimming lessons, aqua-fit classes, and junior lifeguard training.

The Aquatic Centre is a great place to de-stress, meet new people, spend time with loved ones, or exercise. Whether you want to work on your strokes, get in shape, or simply come to enjoy the relaxing atmosphere; our professional and friendly staff are here to assist and help you make the most of your time at our facility.

We strive to maintain reasonable fees and admission rates. Drop-in, punch cards, and Memberships are available for purchase. Rentals of the pool and the activity room are also available.

Are you a Business Owner in Fairview?

Here's what you need to know!

How can I add or update my business information?

You can add or update your business license on the Town's website at:
<https://www.fairview.ca/business/directory/>

Where can I find more information about business license fees and payments?

For a full list of business license fees and how to pay, please visit:
<https://www.fairview.ca/business/business-licensing/>

Do I need to pay a yearly fee?

If your business falls under one of the following categories, you are exempt from fees:

- Businesses located in commercial zones
- Charities, religious organizations, sports and youth groups
- Non-profit community services
- Wholesale suppliers and produce personally grown, raised, or fished
- Farmer's Markets (Town approved)
- Events or festivals (Town approved)
- Garage sales

How much is the license fee for a Home-Based Business?

Home-Based Businesses require an annual license with a fee of \$75

What do you need for the Development Permit?

Legal Address – Lot, Block, Plan

Civic Address – To determine Land Use Zone

Site Plan – Birds eye view of your property. Includes location of property lines, distance of existing and proposed from property lines, size of buildings, access to street or lane, size of lot

Building Plans – includes floor plan, elevations, exterior finishing

Fees

\$50.00 – For Garage and Additions less than \$25,000.00

\$50.00 – Home based business

\$200.00 – Conforming developments over \$25,000

\$250.00 – Non-Conforming Developments

\$250.00 – Application to Amend Land Use Bylaw, Municipal Development Plan or Statutory Plan

Late Fee – Double above fee, when applying after development has started

Application fees are to recover costs associated with administration time, appeals, notices and advertising.

Planning on building signage, a house, garage, shed, deck, fire pit, adding on or starting a home-based business?

You will require a development permit from the Town of Fairview.

What's Next?:

Construction is not to start until after the issuance of the Development Permit. Permits for discretionary uses or require a variance will be subject to condition that it does not become effective until 21 days after the date of issuance. The decision can be appealed within 21 days.

The proposed development may require building, electrical, plumbing and gas permits which may be a condition of the development permit. You will require the development permit to get the other permits. Building permits and inspections are necessary to ensure construction meets provincial building safety codes.

Alberta 55Plus

Represents the heart of mature Albertans. It stands for the idea of a fuller, healthier, more vital future; for the straightforward steps that can be taken towards that future. We promote participation and action and have generated a unique spirit of cooperation across the province.

The association believes that sport and recreation development for mature adults is a provincial issue. It has a direct bearing on the quality of life in this province, and it can become a way of life for the individual and the province as a whole. That is the ideal. We're working to make it a reality.

Program Grants Available

Application forms available
by emailing: fcss@fairview.ca

To qualify for support, the proposed project shall:

FCSS invests in prevention. We fund programs that help people build skills, strengthen relationships, improve well-being, and create a healthier, more connected community before challenges become crises.

Do one or more of the following:

- Help people to develop independence, strengthen coping skills and become more resistant to crisis
- Help people to develop an awareness of social needs
- Help people to develop interpersonal and group skills
- Help people and communities to assume responsibility for decisions and actions which affect them
- Provide supports that help sustain people as active participants in the community

What We Fund:

FCSS supports community-based prevention programs that help people before problems become crises. We welcome projects that build stronger individuals, families, and communities.

Programs and Services NOT ELIGIBLE under the program include those that:

- Provide primarily for the recreational needs or leisure time pursuits of individuals
- Are intended to sustain an individual or family, i.e., providing food, clothing or shelter
- Are primarily rehabilitative in nature; or duplicate services that are ordinarily provided by a government or government agency

Deadline for 2026 applications is October 30, 2026 LATE APPLICATIONS WILL NOT BE ACCEPTED

Successful applicants will have funds released approximately August 2027. Applicants will be required to complete bi-annual reports based on outcome measures while recognizing FCSS in promotions and marketing of the program.

Ask Yourself:

- Is your project a good fit?
- A strong FCSS project should answer YES to most of these questions:
- Does it help prevent social problems before they become crises?
- Does it build skills, confidence, or resilience?
- Does it strengthen individuals, families, or the community?
- Does it increase social connection or inclusion?
- Will it have a positive impact beyond a single event?

PROMPTING PREPAREDNESS

Routine preparedness messages to build capacity for risk reduction education in Alberta

Emergencies can happen with little warning, disrupt access to everyday services we rely on and may require you to shelter in place or evacuate. Preparing emergency supplies in advance helps you and your loved ones stay safe. #BePrepared:

Learn the difference between gathering supplies and building an emergency kit. Don't forget to share your knowledge with loved ones by getting them involved too. Collect items from around your home that aren't being used to build an inventory of emergency supplies. An old backpack/duffle bag, for example, is a low-cost start of an emergency kit. Consider your households unique needs when adding items to your supplies. For example, medications, formula for babies, a tire patch kit for a wheelchair, or pet food.

Preparing emergency supplies is one small step to building self-reliance and protecting you and your loved ones before, during and after an emergency. Use Be Prepared programming and resources to learn about more preparedness actions you can take.

Town Utility Bills

Your utility bills are mailed out at the beginning of each month (for the previous month's consumption). Radio frequency meters have been installed in almost all the households and businesses. You will receive an accurate monthly bill for actual consumption. You will be charged \$3.48 per cubic meter for residential accounts and non-residential accounts.

In addition to the consumption rate for water you will be charged a flat rate for the Sewer service for residential and non-residential accounts, and a flat rate monthly Capital Replacement fee.

If your bill is exceedingly high, check your toilet(s), faucets, humidifiers, icemakers and outdoor taps for leaks.

We are pleased to offer our residents the option of paperless billing. Property owners can view their bills online via our Customer Portal. They will receive an email when their billing is available. As an incentive to sign-up for this service, there is currently a \$1 credit per month for signing up.

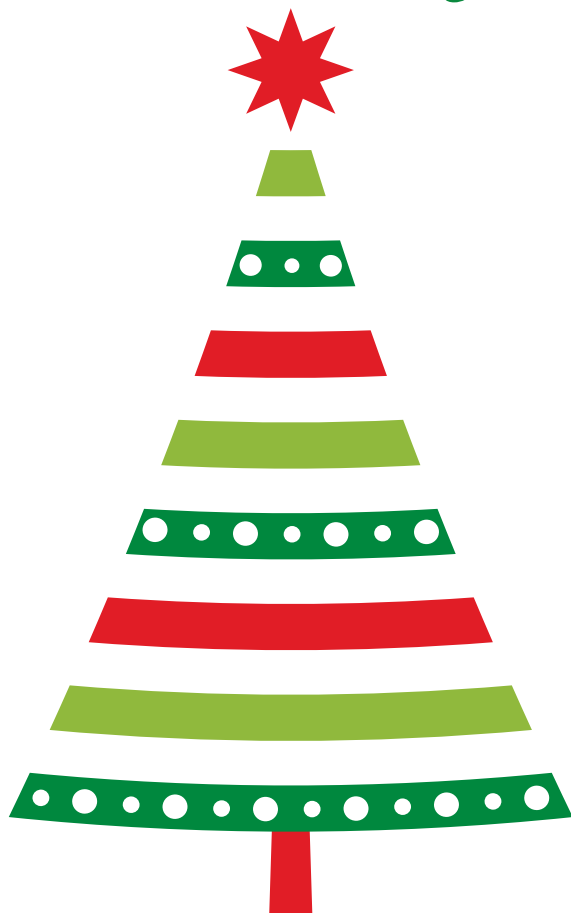

So you never forget to pay your bill, we also have a preauthorized payment plan that debits your account on the 21st of each month. This debit can only be from a valid bank account.
