

Talk Of The Town

Town of Fairview Newsletter - April 2025

STREET SWEEPING SEASON

Public Works will be doing an initial cleaning of the Town streets in early April, prior to boulevard sweeping. Please do not put your grass clippings or boulevard debris onto the streets at this time. We reuse over 90% of the sand and gravel that has been put on the streets over the winter months. The boulevard sweeper will be by after the snow melts and the street sweeper will be by again to pick up that debris. Thank you for your patience.

Fairview Kennel Survey

How many pets are enough?

Under the Animal & Responsible Pet Ownership Bylaw 1077AC2022, a property may host no more than four animals, with a maximum of three dogs. Council has received proposals to amend the bylaw to permit Breeder and/or Hobby Kennels, and the Town of Fairview is now seeking community input on the matter.

*We want to know what you think!
Follow the link to complete the survey.*

BYLAW REMINDERS

It's that time of year to clean up what your pets have left behind in your yard over the winter which may cause odour and visual aesthetic issues for you and your neighbours.

Use the right tools such as rubber gloves, a garbage bag and a pooper scooper. If your dog has been taking care of business on concrete or a patio deck you can consider using an enzyme deodorizer that is meant to digest waste and urine to get your property smelling clean and fresh again. Do not put dog waste in your garden, it does not make good fertilizer! Please see Animals & Responsible Pet Ownership **1077/AC/2022 section 27** for more information.

The spring thaw brings a plethora of migratory songbirds and an increase in wildlife in town. Review **Wildlife Feeding Bylaw 1073/AC/2021** which reminds us not to over do it with bird feed and no putting out food for deer and squirrels.

The snow has melted and we remind property owners to clean debris and refuse that has accumulated over the winter months. Assess your yard for stagnant water that may support breeding of mosquitoes and other pests, prune and shrubs and trees that may obstruct sidewalks and adjacent properties, and monitor for weeds that grow early in the season. Help give the town a clean sweep for spring. **Community Standards 1047/GEN/2018**

Longer days and warmer temperatures encourage back yard gatherings, construction and home maintenance. All of these activities can cause increased noise outside. Please refer to **Community Standards 1047/GEN/2018 and Fire Bylaw 961/PS/2010** for reminders regarding backyard fires, burning and fireworks.

HOME ALONE PROGRAM

APRIL 22, 2025 9AM - 1PM

LUNCH PROVIDED

Designed to provide children 10 years and older with the skills and knowledge to be safe and responsible when home alone for short periods of time.

- ✓ Establishing a Routine
- ✓ House key responsibility
- ✓ Strangers
- ✓ Emergencies / Basic First Aid
- ✓ Internet Safety

SPRING CLEAN UP

Community Wide House & Yard Clean-up

Saturday, May 3 : 10 am to 2 pm

Free Garbage Drop-Off at the Public Works Yard on 10813-110 St

Yard Waste - Metals - Household Garbage - Electronics - Hazardous Waste - On-site Shredding Truck

Community Wide Garage Sale Thursday-Saturday, May 8-10

Clean out your clutter this Spring and get rid of it at our 2nd Annual Community Wide Garage Sale. To get your location entered on the map, scan the code and fill in your information!

FREE Stuff in Fairview

Sunday, May 11, 10 am to 4 pm

Put items out on your front lawn or driveway that you no longer need but someone else may. Then drive or walk around Town, have a look to see if others have something you need. If yes, take it, it's free! At the same time get to know the people in your community.

Rules: everything must be free and you must clean up at the end of the day. The Town will not pick up left items. Please do not leave clutter on lawns. First come, first served. Items must be placed on your private property, not Town boulevards.
