**Pickleball Court Discussion:** Members of the local pickleball community attended as a delegation to present an alternative design for the current tennis court redevelopment project. Council confirmed its previous decision to proceed with the original design, with one modification: the pickleball courts will now be the dominant colour within the overall court design.

**Former RCMP Museum Building:** No submissions were received in response to the Request for Proposal (RFP) for the former RCMP Museum building on 103 Avenue. Council will discuss possible next steps and future options for the property at an upcoming meeting.

**Fairview Public Library and Bill 28:** Representatives from the Fairview Public Library have met with the local MLA to discuss concerns regarding Bill 28. Residents interested in learning more can review the legislation online: <https://www.alberta.ca/modernizing-municipal-legislation-across-the-province>.

**Summer Council Schedule:** Council will be moving to its summer meeting schedule. As a result, the regular meetings scheduled for **July 7** and **August 4** have been cancelled.

**Summer Events and Road Closures:** Council approved several temporary road closures to support upcoming summer events. We look forward to another exciting summer season in Fairview.

- SOS Event – June 12
- Patio Series – Throughout the summer
- Rodeo Parade – July 16
- Summer's End Festival – August 22

**SOS Party – June 12:** The annual SOS Party will take place on Friday, June 12, near the outdoor arena. Residents are encouraged to come out and enjoy the festivities.

**Fairview Campus Update:** Council is pleased to see Northern Lakes College preparing to offer post-secondary programs at the Fairview Campus beginning this September. This is an exciting step forward in maintaining access to higher education opportunities in our community.

Northern Lakes College is also currently recruiting instructors and support staff to support these programs, creating new employment opportunities in the region.

Residents can learn more about the campus, available programs, employment opportunities, and ongoing community efforts to support post-secondary education in Fairview through the resources available online.
