# Weeds Weeds Weeds

Weeding is a pain! Fairview residents take pride in maintaining clean and tidy yards. Yet it never hurts to have a quick refresher on the Town of Fairview's strategy against those notoriously nasty, noxious and nuisance weeds: the weed inspector will routinely do checks within the town and surrounding area, and will take calls to inspect particular properties if requests are made to the town. The weed inspector will be searching out the following noxious plants.

Canada Thistle

Scentless Chamomile

Creeping Bellflower

Toadflax

Perennial Sow Thistle

Dame's Rocket

Leafy Spurge

FOR FURTHER INFORMATION  
ABOUT THE ENFORCEMENT  
PROCESS

Dandelions are NOT noxious weeds! Since late 2010, dandelions are no longer included in the weed control act. Yards that appear to have been neglected may be pursued under the town's nuisance bylaw.
