

Talk Of The Town

Town of Fairview Newsletter - June 2026

2026 PROPERTY TAX INFORMATION

Property tax notices were mailed on May 14, 2026. If you do not receive your notice by the end of May, please check the Customer Portal or contact the Town Office at reception@fairview.ca. Not receiving a notice does not exempt property owners from paying their taxes.

Property taxes are due on June 30, 2026.

Property owners enrolled in the Tax Installment Plan do not need to make an additional payment at this time. Regular monthly payments will continue as scheduled.

Owners of mobile homes located in Fairview Estates Mobile Home Park are responsible for paying property taxes directly to the Town of Fairview.

We accept cash, cheque, debit, online payments, and payments made at the bank.
Please note that we do not accept credit cards for tax payments.

Penalties for Late Payment:

- A 15% penalty will be applied on July 1, 2026, to any unpaid 2026 property taxes.
- An additional 15% penalty will be applied on January 1, 2027, to all outstanding balances remaining after December 31, 2026.

To avoid penalties, please ensure your payment is made on or before the due date.

The Town of Fairview acts as a school tax collector on behalf of the province and the separate school board. School taxes are not subject to control or review by the Town of Fairview.

Municipal taxes are levied using an adopted tax rate to provide municipal services. Property taxes are calculated by multiplying the tax rate by the assessed value of the property.

KEEPING FAIRVIEW GREENER TOGETHER

LAWN & WEED CARE REMINDER

As the weather warms up, weeds are starting to appear across Fairview lawns and boulevards. Keeping your yard maintained not only improves curb appeal but also helps keep our community clean, healthy, and enjoyable for everyone.

Residents are reminded to help control invasive weeds and maintain healthy lawns throughout the community this season.

Prohibited Noxious Weeds must be destroyed if found, including: Knapweeds, Knotweeds, Hawkweeds, Giant Hogweed and Purple Loosestrife.

Noxious Weeds must be controlled to prevent spreading, including: Canada Thistle, Burdock, Toadflax, Common Tansy, Oxeye Daisy and Scentless Chamomile.

Regular mowing, weed removal, and proper lawn care help keep Fairview clean, safe, and beautiful for everyone. Thank you for doing your part!

2026 Weed Control program has started with routine inspections and herbicide application on Municipal lands.

Reminding property owners to maintain homes and yards

- Do not store abandoned equipment or abandoned vehicles
- Do not store household appliances and furniture on the property exterior
- Properly dispose of hazardous materials and toxins
 - Dispose of refuse and debris
- Prune trees and shrubs and ensure no encroachment or damage to adjacent properties
 - Mow grass that is taller than 10 cm
- Assess for weeds and invasive species
- No storage of composting material in front yard
- Keep property in a REASONABLE state of repair, including windows, siding, roofing materials, eaves etc.
