Town of Fairview Newsletter - June 2024

## 2024 PROPERTY TAX INFORMATION

Property tax notices were mailed on May 17, 2024. The Town of Fairview Property Tax consists of municipal taxes, education taxes, North Peace Housing Foundation levy and local improvement taxes where applicable.

Taxes are due on June 30th, 2024, with penalties applied on the current amount after the due date, at the rate of 15% with exception of the property owners who are currently enrolled in the Tax Installment Payment Plan or Tax Recovery Payment Plan.

Failure to receive a tax notice is not considered sufficient reason for non-payment of property taxes. If you have NOT received your notice, please contact the Town of Fairview office at 780-835-5461 or email [reception@fairview.ca](mailto:reception@fairview.ca) to request your tax notice.

We accept cash, cheque, debit, online payments and payments made at the bank. Notice to the owners of the mobile homes in the mobile home park, Fairview Estates, your mobile home is taxable by the Town of Fairview, you do pay property tax to the Town of Fairview on the mobile home, if you do not receive a property tax notice please contact the tax department.

The Town of Fairview acts as a school tax collector on behalf of the province and the separate school board. School taxes are not subject to control or review by the Town of Fairview. Municipal taxes are levied by an adopted tax rate to provide municipal services. The tax is calculated by multiplying the tax rate by the assessed value of property.

## WEEDS WEEDS WEEDS!

Weeding is a huge pain! Fairview residents take pride in maintaining clean and tidy yards. Yet it never hurts to have a quick refresher on the Town's strategy against those notoriously nasty, noxious and nuisance weeds. The weed inspector will routinely do checks within the Town and surrounding area, and will take calls to inspect particular properties if requests are made to the Town. The weed inspector will be searching out for the following noxious plants.

Dandelions are NOT noxious weeds! Since late 2010, dandelions are no longer included in the Weed Control Act. However, yards that appear to have been neglected may be pursued under the Town's Nuisance Bylaw.
