What's happening in Fairview - October Edition

Have Your Say About Recreation and Community Facilities in Fairview!

The Town of Fairview and the MD of Fairview are undertaking a Community Facilities and Recreation Strategy to guide future planning and decisions related to recreation facilities and programs. This project will engage community members in the Town and MD to gather input and better understand the current and future needs and priorities.

We want to hear from you!

Your input can help shape the future of recreation in Fairview. Don't miss out on these chances to engage and contribute to the future of your community. Opportunities to provide input toward the Community Facilities and Recreation Strategy can be found on our website at <https://www.fairview.ca/community/facilities-recreation/facilities-and-recreation-strategy/> or by scanning the QR code!

Fall Cleanup:

Preparing Our Community for Winter

As the seasons change and leaves begin to fall, it's time to start thinking about fall yard and garden maintenance. A little preparation now helps ensure healthier trees, stronger gardens, and a beautiful community next spring.

Tree Pruning Tips

Fall is generally not the best time for major tree pruning. Most trees are best pruned during late winter or early spring while dormant.

Exceptions include:

- **Elm trees:** Prune only between October 1 and March 31 to help prevent Dutch Elm Disease.
- **Dead, damaged, or hazardous branches:** These can be safely removed at any time of year.

Perennial Garden Cleanup

After several hard frosts, typically in late October through November, it's time to tidy your perennial beds.

Cut back:

- Hostas
- Daylilies
- Peonies
- Bearded Iris
- Delphiniums
- Columbine

Consider leaving standing until spring:

- Coneflowers
- Sedum
- Ornamental grasses
- Yarrow
- Russian Sage

Leaving some plants standing provides winter shelter for beneficial insects and birds, helps trap insulating snow, and adds winter interest to your landscape.

Together We Keep Fairview Beautiful

Every yard, garden, and boulevard contributes to the appearance and pride of our community. By maintaining healthy trees and gardens, we help create a cleaner, greener, and more welcoming Fairview for everyone.
