

Council Highlights

September 16, 2025

Upcoming Council Meeting: The final council meeting for the current council term October 7, 2025.

102 Ave and 103 Ave Infrastructure Work: The 102 Ave waterline replacement and 103 Ave sewer line replacements are nearly complete. The next step is paving, and the paving company will also address the water break repairs from the past two years with patching.

Amended Budget: Due to the increased costs of water break repairs and paving patches, the 2025 operating budget has been amended.

Fairview Volunteer Fire Department: After two years, the new Rescue truck is expected to arrive soon.

Fairview Regional Aquatic Centre Shutdown: The Aquatic Centre will be closed for maintenance from October 19 – November 1, 2025. There will be another short shutdown later for the HVAC replacement project, though the exact dates are still to be determined.

GIS Update: Council approved a \$12,500 amendment to the 2025 capital project budget to update the Town's 7 year old GIS map image. The update will include a Digital Terrain Model (DTM).

ICF and Cemetery Operations Agreement: The Town and MD of Fairview will be discussing the ICF agreement and Cemetery Operations agreement at a future ICF meeting.

Land Use Bylaw Amendment: Council moved to the first reading of an amendment to the Land Use Bylaw. The amendment proposes to change the zoning from Highway Commercial (C-3) to Transitional Residential – Commercial (RC-T) for properties located at Lots 04N1/2 and 05S1/2 Bloc 01 Plan 2159EO.
