*It's cold out there!* Please do not leave pets outside for extended periods of time in cold weather.

The Town of Fairview utility bylaw has been amended for 2018. These changes will be reflected on the January 2018 water bills, which are sent out at the beginning of February 2018.

- **Septage station rates went from \$12 to \$14/m3**
- **Capital replacement fees for water usage were increased by 5%**

### *Ploughing Schedule in Order of Priority*

- 101, 103, 105 and 108 Avenues. These are considered our emergency routes.
- 102 Ave. between 109 and 111 St. Snow will be wind-rowed and removed immediately (due to the angle parking on the north side), after which Main Street will be wind-rowed. (Wednesdays)
- 100, 103, 106, 107, 108, 109, 111, 112, 115, 116 Streets - the hill roads
- 102, 104, 106, 107, 109 to 113 Avenues
- Residential areas: Beaver Ridge, Bickell Heights, Dunvegan Park, Burkholder Subdivision, North View Estates, Country View Estates and the remainder of the downtown area.

### *Snow Piling and Hauling*

Windrowed snow on Main Street, 103, 104 and 105 Avenues will be hauled after completion of the above priorities, along with 101 and 102 Streets. Wind-rowed snow on 102 Ave. between 109 and 111 St. will be hauled immediately due to the angle parking on one side. On residential streets, snow will be piled according to your house number. If you have an even number, snow will be piled to your side during an even year (2016). Likewise for odd house numbers in an odd numbered year. Time and budget permitting, snow piles will be hauled away from corners to increase visibility for motorists. In the event of a very large snowfall, snow may be piled on both sides of the street and the removal schedule will be at the discretion of the Director of Public Works or his designate
