## TALK OF THE TOWN

Town of Fairview Newsletter | September 2018

Follow us!  

### BACK TO SCHOOL

A reminder that it is time to become familiar with the school locations and speed limits again. School days bring street congestion: Yellow school buses, parents dropping their kids off, and kids on bikes or scooters are hurrying to get to school before the bell rings. Be alert for children walking and slow down, even if you are not in a marked school zone. Please be considerate of school bus drivers - they are carrying our most precious cargo.

Our college students have also arrived, therefore pedestrian traffic across the highway has increased dramatically. We extend a warm welcome to all students and teachers and wish them a successful school year.

Keep up to date with our local school news by visiting the websites listed below:

As of October 17, 2018, the Federal government has legalized cannabis. The Provincial government has been given the authority to set laws around the public consumption of cannabis.

Public smoking or vaping of cannabis in Alberta will be prohibited from any place where tobacco is restricted as well as in the following places:

- On any hospital property, school property or child care facility property in or within a prescribed distance from:
  - a playground
  - a sports or playing field
  - a skateboard or bicycle park
  - a zoo
  - an outdoor theatre
  - an outdoor pool or splash pad
  - from any motor vehicles, with the exception of those being used as a temporary residence, such as a parked RV
- Any cannabis retail outlets.

Municipalities have the authority to enact bylaws to restrict public consumption of cannabis further. Regarding public consumption of cannabis, would you like to see enforced in Fairview (please check one):

Just the provincial and federal regulations as shown above.

Creation of a Town Bylaw that does not allow public consumption of cannabis, treating cannabis the same as alcohol.
