## TALK OF THE TOWN

Town of Fairview Newsletter | September 2019

### BACK TO SCHOOL

A reminder that it is time to become familiar with the school locations and speed limits again. School days bring street congestion: Yellow school buses, parents dropping their kids off, and kids on bikes or scooters are hurrying to get to school before the bell rings. Be alert for children walking and slow down, even if you are not in a marked school zone. Please be considerate of school bus drivers - they are carrying our most precious cargo.

Our college students have also arrived, therefore pedestrian traffic across the highway has increased dramatically. We extend a warm welcome to all students and teachers and wish them a successful school year.

Keep up to date with our local school news by visiting the websites listed below:
